

Kenan Kamilli

Material Engineer

 Sumgait AZ5006

 +994 55 214 85 39

 kamilli.kenann@gmail.com

Skills

- Technical coordination
- Effective communication
- Project management
- Time management
- Communication skills
- Team leadership

Computer Skills

- Microsoft Word
- Microsoft Excell
- Microsoft Powerpoint
- HTML
- MS outlook
- Autocad

Language

Azerbaijani — Native

English — C1 (Advanced)

Turkish — Advanced

Field Trips

- Socar downstream
- BP Khazar office
- Production facilities of FAB Paint and Chemical Industry LLC

Education

2022-2026

MATERIALS ENGINEERING | ENGLISH

Azerbaijan State oil and Industry University

- **Coursework** in determination of the glass transition temperature of polymer materials using thermal processing techniques
- **Coursework** in production of thermoreactive polymer materials, and determination of their mechanical properties

Experience

2023- 2024

Volunteer and Researcher

IMECHE-Inistution of the Mechanical Engineering

- Assisted Azerbaijan team of Institution of Mechanical Engineers in coordinating volunteer and research activities
- Organized and facilitated training sessions and technical seminars in mechanical engineering topics.
- Supported over 50 students in enhancing their mechanics and engineering knowledge.
- Developed leadership, communication, and technical coordination skills through teamwork and project involvement.
- Helped more than 50 students improve their knowledge in mechanics and related engineering fields.

Certificates

- 1.Energy Transition and Cop29: Sustainable Solutions and Technological Innovation Bootcamp
- 2.Mechanical skills in the oil and gas industry
- 3.Bp certificate for turning theory into practice
- 4.Certificate for Mechanical Engineering Researcher – IMECHE ASOIU, recognized for outstanding performance.
- 5.MACHINE WORKS-ENGINEERING ESSENTIALS
