Gender: Female **Date of birth:** 31/07/2004 **Place of birth:** Baku, Azerbaijan

Nationality: Azerbaijani

ABOUT MYSELF

I am a Computer Science graduate with a genuine interest in data analytics and visual presentation. I have hands-on experience building a complete dataset from scratch for a football analytics project. I enjoy working with data, discovering patterns, and transforming information into clear and meaningful visuals. I am a responsible and disciplined person who values continuous self-improvement.

PROJECTS

Github

Note: The football project dataset was independently built by me.
